

My vicarage is set for St. Peter's Lutheran Church in Arlington, Wisconsin, a small town just north of Madison. St. Peter's is a 105-year old congregation having opened in 1907 and has a mix of lifetime members as well as young families that have come in from outside the community. Although St. Peter's has had vicars in the past, I will be the first one in five years and the first one under current pastor, David Juhl. I officially begin vicarage on July 16th and will move up there shortly before then.

I thank you all at Faith Lutheran for supporting me over the years, helping shape me for the Office of the Holy Ministry. I pray that you all be kept steadfast in God's Word and have God's richest blessings in order to bless others as Christ would have us do.

Yours in Christ,
