

Our facilities will give your students a new view of their world...

Have you wanted to give
your children some “hands
on” classroom work?

Are you interested in giving
them a deeper knowledge
of biology, botany,
agronomy, astronomy?

Are your younger students
ready to spend the night in
a bunkhouse, a bit away
from Mom & Dad (but not
too far?)

Recreational facilities
abound – hiking, hunting,
fishing, swimming, river
rafting, golf, tennis, track,
skate board park,
basketball, and more!!!

Above the lower plants it towers,
The fennel with its yellow flowers;
And in an earlier age than ours
Was gifted with the wondrous powers
Lost vision to restore.

– Henry Wadsworth Longfellow

Erywilde

Your Classroom in the CountrySM

Located less than
100 miles from
Marietta, Erywilde is
a retreat where you
and your family can
relax, learn, and
spend time together

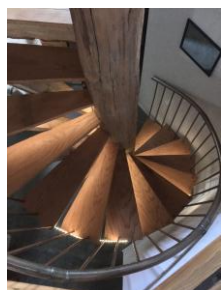

away from the electronic noise that often
surrounds us.

No commercial power, no internet, intermittent
cell phone signal – come join the calm!

Main Cabin

The main cabin is 1,800 sq ft, with two floors. The upstairs is an “open” configuration with a wood burning stove, complete kitchen, native red oak floor, and poured concrete countertops.

A beautiful spiral staircase wraps around one of the logs that support the roof. Downstairs you'll find the family room, two bedrooms and two full baths.

The rooms are heated by in-room gas heaters and the main suite has a window air

conditioner. Each room is fully insulated (interior, exterior walls, even ceiling) – warm in winter, cool in summer and extra quiet.. Extra guests can sleep on the two pull-out couches. Open the windows and have the frogs serenade you. No cars, city noise, neighbors. So peaceful!

Bunkhouse

We've converted the original hunting cabin into a nice, large room with a bunkbed, and two twin beds. Additionally, two army cots can be set up.

It is rustic with cold running water 50 feet nearby. Great place for the young ones to sleep together and walk to the main cabin to wash up and have breakfast!

Water Features

The property has a three-acre lake fed by a small stream that flows all year. The lake has fish ready for you to catch. There is a rowboat for the mildly adventurous.

A larger stream flows from nearby Arrowhead Lake, a 30+ acre lake about a mile upstream.

Both creeks are habitat for our local beavers. You can track their trails and their many efforts to flood the property – natural conservators!

Learning Opportunities

Our property has wildlife, including turkeys, deer, armadillos, and coyotes. The lake has catfish, sunfish, bream, and bass.

On a clear night, the sky explodes with stars, not hidden by the light of the big city. Bring a telescope - great for basic astronomy.

A Large Garden

We have a large deer proof garden with vegetables and herbs in season.

31+ Acres

Hike, sunbathe on the dock, throw a frisbee, relax.

There are deer occasionally on the property for those licensed hunters.

So Much Else...

Erywilde is less than 100 miles from Marietta, in Thomaston, GA, the county seat of Upson County.

Upson County is bounded on the western border by the Flint River. Hiking, rafting, fishing, and sightseeing are less than 30 minutes away.

Boy Scout Camp Thunder on the Flint River is less than half an hour away – drop your scouts off and stay nearby with us!

Major fast-food restaurants are in Thomaston, even Chili's and Longhorn Steak House.

Fees

We have special rates for our homeschooling clients as follows:

Daily:

Base rate \$70

Each Adult 25

Each Child over 2 10

One Time Cleaning Fee 145
